CHANGE FOR KIDSAID

DURING CHILDREN'S MENTAL-HEALTH WEEK!

Dress down for the day and wear KidsAid colours instead; green, orange, blue, or pink. For a small, suggested donation of £2, staff can participate in this vibrant display of solidarity and support.

The money raised from Change for KidsAid will go towards life-changing therapeutic support for children and young people who have suffered trauma.

Change clothes to change lives!

Get involved and raise vital funds for those who have experienced abuse, neglect, domestic violence, bereavement, family breakdown and suicide.
